Dear Bill:

As you know, The Heritage Foundation is heavily involved in foreign policy and defense issues and has a number of on-going projects in these areas. As a part of these activities, we occasionally host dinner discussions with high-ranking administration officials to discuss these current issues. In addition to appropriate Heritage staff, we also invite a select group from Capitol Hill and elsewhere to join these discussions.

I would like to invite you to join us for such a discussion on a mutually convenient date. Of course, the discussion would be off-the-record and all participants would be so advised. I know such a discussion would be useful from our point of view and I hope you might find it beneficial as well.

I hope you will find this invitation of interest and that you will be able to participate. My staff will be contacting your office in the near future to see if we can arrange for your participation.

Sincerely,

Edwin J. Feulner, Jr.
President
